### **Cyber Insurance...When all Else Fails**

Insurance is something that everyone typically loves to hate. However recent cyber security breaches has made this type of insurance necessary for any business that does anything with any type of confidential data. Join this group of experts in the cyber insurance field to learn all the ins and outs of cyber insurance.

#### **Biography**

**John Koziol** started his career with Nationwide Insurance.

His concept is making the consumer's experience consistent, convenient, and personalized at every stage of their buying or service journey.

John is a lifelong learner. John completed The CLCS Commercial Lines Coverage Specialist Designation Program. John has demonstrated extensive knowledge in property and casualty insurance practice, insurance policy coverage, and has applied the knowledge in real-life case study exercises.

John is married to a special education teacher and blessed with four children. John recently helped his oldest son demo his 1840 farmhouse in Landenberg PA and is learning how to become a hobby farmer. Member of CrossFit Wheelhouse in Avondale, PA. John provides seed monies and mentor startups who could use his advice.

**David Reesor** is a Partner of Property & Casualty for USI Insurance Services in Wilmington, David specializes in the development and

management of comprehensive risk and insurance solutions for clients and has in depth experience working with a varied portfolio of clients ranging in size, including many in the real estate industry, technology and professional service firms, financial services providers, public entities, non-profit organizations, manufacturers, and suppliers.

With over a decade of experience developing expertise in cyber liability insurance, David has consulted with two international insurance companies on the development of their policies, negotiated hundreds of Cyber Liability insurance placements on behalf of clients and has been invited to speak on the topic by several professional service organizations over the years.

David graduated from the Australian and New Zealand Institute of Insurance and Finance (ANZIIF).

**Kevin Violette** is Senior Vice President, of R-T Specialty, LLC.

Kevin joined RT Specialty in 2010. Prior to joining RT Specialty, Kevin spent five years at Chubb Specialty in Simsbury, CT in various capacities, most recently as front line Errors & Omissions Liability underwriter. At Chubb, Kevin largely concentrated on underwriting Miscellaneous Professional, Media Liability, Network Security & Privacy Liability, Lawyers Professional, and Employed Lawyers coverage.

Kevin has been involved in developing complex Professional Liability/E&O programs as well as Network Security & Privacy Liability programs. He has worked with clients in various industries including technology, real estate, financial institutions, architects/engineers, construction, healthcare, retail, and other miscellaneous industries. Additionally, Kevin has been a presenter at numerous seminars involving network security & privacy liability topics, and has been quoted in various insurance industry publications with regard to network security & privacy liability developments.

Kevin received a Bachelor of Science degree in Business Management and Organization from Central Connecticut State University.
