

# Don't Answer Messages from Unknown People!

Get a text from an unknown number, don't text back unless it's your mother.

You may not really know who they are!

People aren't who they seem so don't go around giving your info just keep safe that's the true info.

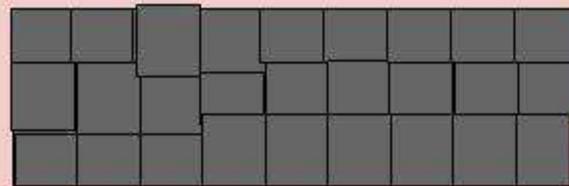

Send me your name!

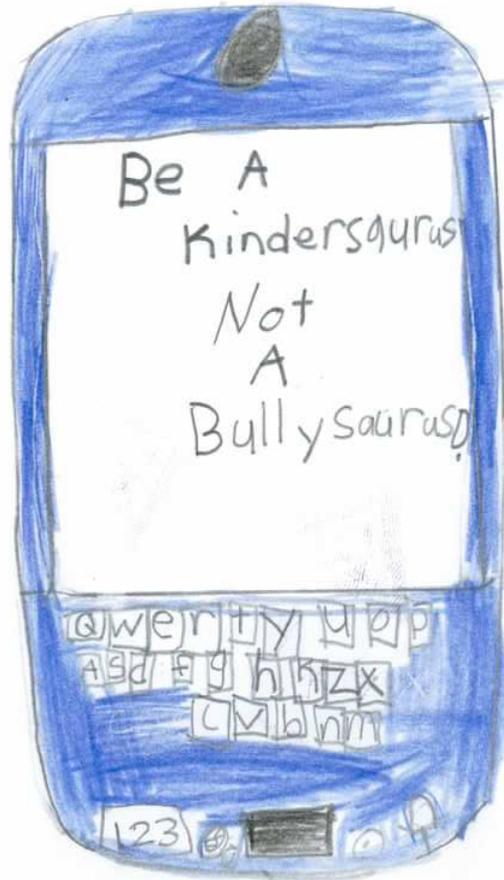

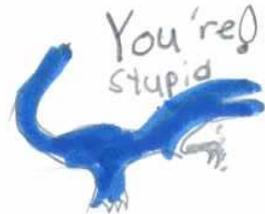

No way!

Send me your phone #!

I don't know you so no!

Yes do that!
