About U.S. Cyber Challenge:

U.S. Cyber Challenge (USCC) is a program of the Center for Internet Security, a 501(c)3 organization, and has the mission to significantly reduce the shortage in the cyber workforce by serving as the premier program to identify, attract, recruit and place the next generation of cybersecurity professionals. USCC's goal is to find 10,000 of America's best and brightest to fill the ranks of cybersecurity professionals where their skills can be of the greatest value to the nation. **Visit Us Online:** www.uscyberchallenge.org
